We've seen a great number of salvations (relative to this part of the world), Healing's and deliverances. Focusing the most of 2024 on Anglesey, God opened doors, saved and impacted people and today we have a Base and operation Center in Holyhead. We will carry on doing Events and Great gospel crusades in Anglesey and Wales as God lead us. Please see my news letter 2022 – 2024 find them at www.lifeandharvest.com/newsletters

Calling to Israel

As most of you might know, God gave me a call and anointing to explain The "Good News" He

reconcile man to himself through Jesus and a mandate for Israel "go and tell My people I love them". Antoinette and I went to Israel first in 2005 when God laid on my heart that He has called me for His people in Israel. At that time we were fruitful in our assignment to pioneer and plant churches in several places in mainly Europe. As God begin to confirm His call for me to "tell My people I love them" and "Mobilise My church" in Israel I have visited Israel often and God connected me with Pastors and ministries. I became friends with pastors and leaders.

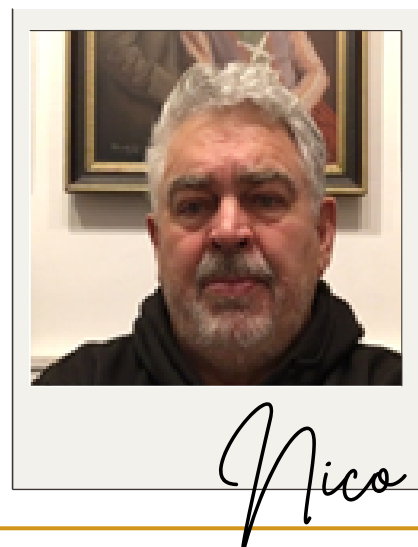

God connected Dov and I, we became friends. Dov is a local born again Jew who planted several churches in Israel and is the founder of Aviv Ministry

November Israel visit

God impressed on my heart to begin the work in Israel and to

begin now. I went to Israel this past November 2024

"Go and tell my people I love them, and Mobilise my church"

ISRAEL NOW

It was good see Dov again, I spoke at most evenings in Dov,s meetings and in a Jewish Hebrew speaking church. A few Jews surrendered there lives to Jesus.

After conversations with Dov and a few of his trusted friends and coworkers we came to the agreement to begin work and set up Life and Harvest Ministries in Israel commencing January 2025 in partnership with Dov and Aviv Ministry with Dov as my senior adviser for Israel. We will set up a team in Israel.

I will carry on to do Crusades in North Wales and the rest of the world while my focus and priority is now Israel a nation of 10 Million but with less than 1% born again. An unreacted people concerning the Good News of Jesus who loves them so much.

Cut to the heart.

Preaching the gospel and helping the local Jews to understand God reconcile man to Himself through Jesus alone and that includes the Jews was so easy and effortless, so wonderful to see how Jesus reveal Himself to the people of Israel

I would like to tell you about Slomo, a young Jew who invited Jesus into his life. Dov and I was sitting at a coffee shop when this young man was singing rap style in the restaurant, he came up to me and start singing in English about God. First I taught he must overheard us speaking about God and that he was a Christian I asked him if he believes in Jesus upon which his answer was no "I am a Jew". I explained to him how God reconcile man to Him through Jesus alone. At the point where I led him in a simple prayer to surrender to Jesus and ask Jesus to save him, he stopped and said: "but I am a Jew". When I explained to Him Jesus died for the Jews as well He was excited and surrendered his life to Jesus. Dov had the opportunity to invite him to a local church.

"He was excited and surrendered his life to Jesus."

FIRST TIME VISITOR TO CHURCH

I was speaking in a Hebrew speaking church the next day. While I was speaking a Jew shouted out to me and ask why I preach the Gospel and have planted churches in Europe when it is already a Christian nation, which gave me the opportunity to help him understand that you must be born again. The out come was that Jonathan asked Jesus to reveal

Himself to him and come into His life. The same, when I helped him to ask Jesus to come into his life, he stopped and said but I am a Jew. And so is the response of almost every Jew I have spoken to. I always knew but now understood how the Jews have been lied to about Gods plan of salvation and I am passionate to let them know "God loves you" and you are included in God's salvation plan.

I was speaking on God's heart at Dov's Men's rehab and after the meeting a few men asked for prayer. Victor a former orthodox Jew who surrendered

his life to Jesus in the past. He was contemplating to go back to Judaism but was convicted during the meeting and publicly recommitted his life to Jesus

TRUSTING JESUS TO STOP SMOKING

Through Serje the interpreter, A gentleman named Vova ask if I will come to the centre the next morning, when I asked him why he said that he wanted to stop smoking and want me to pray for him but the next morning,

"How good and wonderful is our god!"

after breakfast, I was waiting to see if he is still committed to surrender smoking and yes he was, as soon as everyone was finished he ask if we can pray, so wonderful to see as he went on his knees while I was praying for him and cried out to God for deliverance from addiction. How good and wonderful is our God!

CHRISTIAN COFFEE SHOP WITH DOV – LIVING OUT GOD'S LOVE.

I was introduced by Dov to a Dutch couple who run a coffee shop in Dimona a town in the desert. Antoinette and I planted a church in Holland a number of years ago and it was exiting to discoverer that it is not far from there home town in Holland.

They have for a number of years witnessed and served the community in Dimona and so established good relationships with the local Jews. Again great excitement to preach God's salvation plan to the local Jews.

TEL AVIV OUTREACH CENTRE – LIVING OUT GOD’S LOVE.

I went out on the street with them and we met an elderly man believing in God but under the yoke of deception believed that because he is a Jew he cannot call on Jesus. A compassion and holy anger rose up in me, how can we say nothing, the Good News must be made known.

AVIV DOV’S MINISTRY

What a testimony of Gods goodness and love.... I am inspired by Dov, his commitment and perseverance and obedience to God. Many men and women have been rescued from death and hell and so great a testimony to see some of the people I personally know is now in leadership and working with Dov.

People who would probably been dead and lost for eternity by now.

Please pray for Dov and Olga and his team and the work they are doing.

A LIGHT IN THE DARKNESS

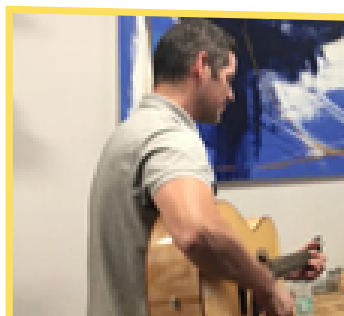

I am thinking what our Lord said;

“The Son of man came to save the lost “and “the gates of hell will not prevail...”

It is so sad to see people sitting in darkness and as it were, at the gates of hell while God has a redemption plan through Jesus.

“...the people living in darkness have seen a great light...” “...on those living in the land of the shadow of death, a light has dawned...”

The preached Gospel is a powerful Gospel and Jesus saves Israel!

God has given me a great responsibility and I will give Him all the Glory. Could you please be involved?
