UPDATE FROM NICO

Dear friends and Life and Harvest Nico Saaiman family, I am sitting in my study in North Wales pondering over the last two years as I write to you, what a two years and how grateful I am to God for His goodness and faithfulness, what a mighty God we serve! His love, power, favour, breakthroughs and healing cannot be calculated. So is His judgment and wrath towards sin and the unrepentant who does not embrace His Son, His indescribable love and sacrifice for us. I want to thank our Father and give glory to Jesus who has protected and sustained us. He has

given us victory after victory and breakthrough.

I thank you for praying for me, my wife my family and my team. We are great full for you and your love and encouragement; we love you and appreciate you.

We have seen so many people find salvation in Jesus, healed and restored. We have seen people rise up to the challenge and step into their God given calling, leaders coming through and so many more.

I am looking forward to the future God has for us and what He has called us to do in unity with Him for

His glory – what a privilege to be coworkers in God’s field – not only here but in the world and more specific in Israel. He has given me a great responsibility and I am grateful for your support in it, the task is great and I need you.

Nico

FROM L & H TEAM

Nico Saaïman and his Wife Antoinette have travelled the world, preaching the Gospel and leading people to salvation through faith in the Lord Jesus Christ. They have spanned many continents, while God sustained them with His presence and grace to be faithful and committed to their calling. We love, pray and support them and their family, please hold them before God and pray for them. With their mission to North Wales in 2013 and with fire for souls, they have done Crusades, HOTG (Heart of The Gospel) Events and raised up Teams and Leaders in Wirral, Birkenhead, Liverpool and more. Jesus saved, healed and delivered many.

NORTH WALES 2022 -2024

Nico started a work in Llandudno. An outreach program was established and the result was of many experiencing the joy of accepting Jesus as their Lord and Saviour and surrendering their lives to Him. In March 2022 Nico done an outreach in the local area. Many of the believing community were nervous and reluctant except for a few who encouraged Nico to go ahead.

However, Nico's teaching sessions from the Word of God and practical training spurred everyone's enthusiasm and before long the word literally was spread and people came together with interest from the local churches. Training

days followed along with the 'Heart of the Gospel' teaching evenings. Nico taught on many aspects of the Gospel and especially to meet the call on our lives to fulfil 'The Great Commission'. Many understood the need to be water baptised and receive the Baptism in the Holy Spirit. Others understood the importance to be equipped them to live the life God has for them.

"Many of the believing community were nervous and reluctant."

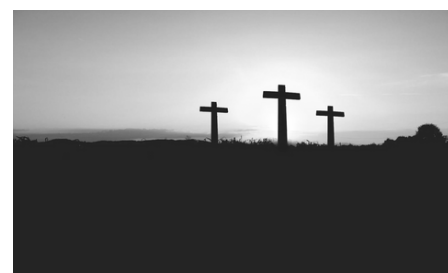

LOCAL CRUSADE 2022 -WALES

Llandudno Taking The Message Out
– Great Numbers Saved

We were ready to complete the street-work we were assigned to in the town. What an exciting time! Members of the then five teams overcame shyness and scepticism and went out to speak about Jesus to many who received the Good

News gladly. Jesus confirmed His Word and people were healed, salvation was declared and the team would report of the joy in seeing people saved. Some of the many excitements was when a local Orthodox Priest and local Jews surrendered their lives to Jesus. Week after week the teams boldly spoke to people of different faiths leading some of them to Jesus. Nico held Saturday night meetings where people invited family and friends to hear the gospel and receive Jesus as their Saviour.

Salvations and Healing

Next came the local Crusade over four days in September 2022. Many had hands laid on them and they came to faith in Jesus, received salvation, healing and deliverance.

LOCAL CRUSADE 2022 -WALES - CONT

Colwyn Bay

Colwyn Bay was the next town to hear the good news. There were many salvations, heelings and deliverances, L&H now have a prayer and coffee venue in Old Colwyn.

Anglesey Holyhead

A team was set up for Anglesey outreach. Again, the same invaluable teaching, preaching by Nico with Gods impartation. With great and exiting team work many heard the gospel and received

salvation in Jesus. Life and Harvest has established a Holyhead Operations Base in Anglesey

LOCAL CRUSADE 2022 - ABROAD

Spain

Nico and some of his team have done an outreach to Spain with the vision to begin ministry in the near future. Contacts have been established and we are preparing for the work in Spain.

Israel

Nico visited Israel during the war in November/December 2024 to encourage the people of Israel. He spoke in a few meetings and had the privilege to lead some to salvation. Nico had strategic

meetings to begin with L&H Ministries in Israel along with his trusted friend and advisor who is a local Israelite Jewish Pastor who has planted a number of churches in Israel and is the founder of Aviv Ministries.

Nico has spent time previously in Israel to establish relationships and friendships, while ministering and speaking in local churches and ministries. God has called and gifted Nico for Israel to - “Tell My People I Love Them!” and “Mobilise My Church!”. We discern the time is now and Nico will go back

to Israel in January 2025 to begin the work in Israel with Pastor Dov as his senior adviser, they will establish a team in Beersheba as the beginning. Please pray for Nico. Please see Newsletter Israel November 2024 for more on Israel – you can find it on our web: lifeandharvest.com or mail us at lifeandharvest@gmail.com for a copy or any questions

“Tell My People I Love Them!” and “Mobilise My Church!”

ONWARDS

Nico with his wife Antoinette is anointed and gifted by God to tell people that God loves them, to help them understand that God reconciles sinners like you and me to Himself only through Jesus.. That is why Jesus said; Go and tell so they can believe and repent. And to encourage and add value to God's church.

With a Base in North Wales and Anglesey, Nico will do regular Events and Crusades in Anglesey and North Wales as God leads him and his team

Life and Harvest has made many friends over the years both locally and internationally. After many confirmations and the agreement from Nico's accountability team,

Nico is now establishing a Base in Israel where God has called and assigned him. Working relationships in Israel are being established. The work is extensive and international. As Nico and Antoinette are beginning the work in Israel, their Great Gospel lead Ministry in North Wales is ongoing and Nico will do Great Gospel Events and Crusades on a regular basis. He will also do Events and crusade further in the world as God leads him.

You can follow Nico or get more info on our web
Lifeandharvest.com and FB: life and Harvest Ministries

The work is extensive and international. Please pray for Nico, his Wife and Family and Team
